On occasion we have "pop up" events with short notice. These are posted in our Facebook Group but we can also send out a text message if you would like. By providing your cell # we will set you up in the texting group for these types of events and would also use this as another way to contact people if we have a last minute change to an event due to weather ect.

- I'd like to be added to the text group - # _____ - _____ - _____

Club Policies: I have read and understand the club policies and understand that these policies apply to everyone in my household under my membership. I take responsibility of providing a copy of this agreement to others in my household so that they understand they are held to these policies as well.

Membership Info

The Siouxland Mustang Club (SMC) is a non-profit car club. Our operating funds come from our \$30 per year, per household membership dues. Any membership will be considered a household membership with all current family members per household entitled to all club privileges. Dues renewals will be due January 1st of each year with a cut off of February 28 (or 29th if applicable). Membership will consist of those interested in the preservation of the Ford Mustang. Ownership of a Mustang is not required for membership.

The Siouxland Mustang Club will do its best to organize and set up fun events for club members. We are also open to any assistance from club members that would like to participate in event planning or organization of the club itself to help create a club everyone is excited to be a part of. We take pride in running well organized and fun events for everyone to enjoy.

We do try to host 1-2 events per year open to the Mustang community in our area to help spread the word about our club and give us a chance to meet other Mustang owners in the area.

Our monthly events for our members are generally held on Saturdays. Usually, the 3rd or 4th Saturday of the month but that may vary due to holidays, availability of a specific tour ect. if that is being scheduled as part of an event, or the committed availability of a club officer or member being able to run and coordinate the event.

- **** **ALL CLUB EVENTS** will **ONLY** be posted in the private **Facebook Group “SMC Members Page”**. They will not be posted on the public club page unless it is a public event and **NO emails will be sent**. You will need access to Facebook to be able to have access to our clubs calendar of events, event details ect. It is your responsibility to request to join the group. The page is obtained by searching for “SMC Members Page” or by going to [SMC Members Page | Facebook](#). Send a request to join and once we process your dues you will be added to the group. If you do not have access to Facebook you will not be aware of our upcoming events. ****
- Our club is family friendly, however it is expected that children in attendance be under **constant** supervision at events and do not play anywhere near the cars. We all take great pride in our cars and know that a simple scratch can be hundreds of dollars to have fixed, potentially thousands in cases of specialty paints ect. The Siouxland Mustang Club nor its officers are responsible for any damage done to vehicles. Car owners need to take responsibility and speak directly to the parent if there is concern or an issue but also notify a club officer of this. **One single warning will be issued to the member and if a repeat concern is reported, membership will be permanently terminated... no questions, no exceptions.** Repairs of any damage done needs to be handled between the members. If supervision is properly executed, there will be no cause for any concerns.
- The use of the Siouxland Mustang Club logo or name in text represents our organization’s signature. As such, we actively control the use of the mark by any and all companies and parties. The logo is used primarily by the Siouxland Mustang Club organization. However, we may authorize use of the logo to club members for printed and web applications upon **pre-authorization** by our club President or Vice President, depending on the application. Inappropriate or abuse use of the logos is prohibited. The logo use policy and guidelines are outlined on the SMC Members Group or you can ask a club officer if you want to submit a request to use the logo. **Use without permission is subject to immediate termination of membership.** Our logo in the likeness of the trademarked Mustang has been approved for very specific useage by Ford Motor Company and this policy protects the club and will ensure all of the usage guidelines are adhered to.

Membership may be terminated at any time due to:

- Voluntary resignation
- Delinquent dues (over two months)
- Violation of state or local laws
- Any reason deemed detrimental to the purpose or reputation of the club
